

The CMLTA will advertise MLT employment opportunities on the website at a rate of \$200 per month or \$500 for three months. All employment postings must be for MLT positions and must clearly indicate both CMLTA registration and the appropriate CSMLS certification are position requirements. The CMLTA will not post the employment opportunity without these two mandatory requirements. Please email the employment opportunity as you would like it to appear in PDF format to info@cmlta.org. Please include the name, address, and contact information for billing and indicate one-month or three-month posting.
