

Grow your Laboratory career in the stunning Kootenay Rockies region! We have a full-time Medical Laboratory Technologist opportunity now available at the Kootenay Boundary Regional Hospital in Trail, B.C.

Located in the sunny southern interior of B.C. this region is a four-season playground surrounded by nature and renowned for long hot summers and milder winters. This area is home to many laid back and welcoming communities with affordable real-estate, restaurants, craft breweries, arts and culture, family friendly amenities and so much more.

This is a permanent full-time generalist core lab position and offers interesting and varied work within all areas of this Level 2 Lab. Days of work are rotating and shift times include a combination of day, evening and night shifts. Typical duties may include: routine and/or complex tests utilizing manual procedures and automated instruments, greeting patients, collecting and/or receiving specimens, entering data into the Laboratory Information System (LIS), validating/reporting test results, maintaining instruments and preparing solutions and control agents.

We offer competitive compensation and a comprehensive benefits and pension plan, excellent vacation entitlement and relocation assistance. Work environments that support your growth and development, access to progressive clinical resources and a network of skilled interdisciplinary health care professionals. Apply today!

Qualifications

- Graduation from an approved Medical Laboratory Science Program
- Current certification with the Canadian Society for Medical Laboratory Science (CSMLS) and eligible for membership with the BC Society of Laboratory Sciences (BCSLs) and/or CSMLS
