Legislated Standard

- 9. Continuing Competence Program X
- 10. Ensuring Professional Boundaries and Prevention of Sexual Abuse and Sexual Misconduct X
- 11. Preventing Female Genital Mutilation X

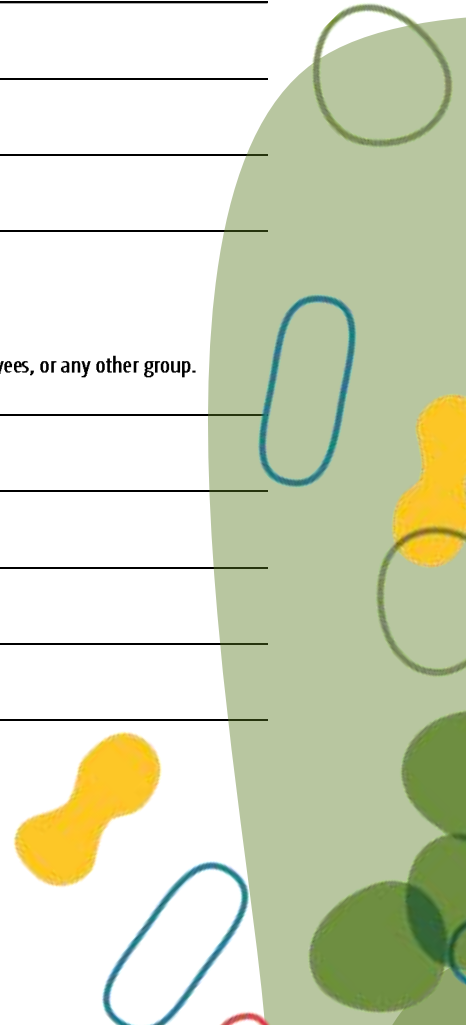

Note: Legislated Standards are standards that the Government of Alberta specifically mandates through the *Health Professions Act*. Their format is different from the Standards of Practice to meet the requirements of the Government of Alberta. These Standards are fundamental to any Learning Objective and, therefore, cannot be selected for use in a Learning Plan.

What did you take away from this Learning Activity?

How did this activity and completing this goal impact your professional practice?

How did completing this goal impact service users?

The term "service user" refers to any individual who uses the MLT's services, including patients, clients, students, employees, or any other group.

Identify one application of the learning to your professional practice.

Additional Notes
